YOUR SEARCH FOR A TOP QUALITY STYLISH CORPORATE GIFT IS OVER.

In the KASA collection you will find gifts that are guaranteed to make a man's heart beat faster. Modern desk accessories made of leather and metal that are full of style and substance - tactile and beautiful gifts that will be used and cherished for a long time to come.

KASA designs with not just the gift recipient in mind but also the gift giver by designing objects that everyone will be happy to give and delighted to receive.

Company History

The KASA brand embodies exclusive gifts with the highest levels of Design. We seek to provide gift givers a world of possibilities with high quality functional gifts that delight and provide lasting value.

What We Do :

- KASA Solutions has been incorporated to focus on the rising need of unique, affordable and quality corporate giveaway products.
- KASA Solutions offers a huge selection of corporate giveaways for all your marketing needs catering to businesses & budgets of all sizes.

Vision statement

To develop and retail top quality design gifts. We take the employee's, customer's and supplier's interests into consideration and adhere to practices of Fair Trading.

Our Mission

- We aim to provide the utmost personalized customer service.
- We intend to deliver the finest quality product.
- We will maintain our vision while sustaining Affordability & Competitiveness.

Values - We adhere to the Following Principles

- Our products are Intended to give long lasting pleasure, fulfil our high quality requirements.
- The employees involved in the production or sales process must not be exposed to any risks whatsoever.
- Under no circumstances are children under the age of 15 allowed to participate in the production of our products.

Quality Assurance

- In the product development we already define the quality of our products and choose material accordingly. At this point therefore we decide which characteristics of our products are to be tested.
- Our suppliers are therefore obliged to adhere to requirements thesis. In due consideration of our supplier's terms we define common goals with regards to further development in quality
- The first samples of our products are tested prior to entering the market and are only released after approval.
- Regular spot checks are Carried out. Our suppliers are therefore required to carry out regular production controls, which they have to verify on demand.

Business Goal

To Constantly Optimise all our processes for order processing, to avoid mistakes, Minimise risks and satisfy our customers in the quickest and by the best possible Means. We Regularly monitor our Basic Principles and Procedures Described Above and adapt to changing conditions and requirements.

Business Concept

KASA SELLS / DESIGNS CORPORATE GIFTS USEFUL TRAVEL AND OFFICE ACCESSORIES.

In the private as well as business context the KASA gift collection suits the spirit of the time and authentically reflects multitude of ideas.

A good idea is one thing, another innovative realization. KASA accomplishes Both and THEREFORE Creates New Products Which are market leading. Our innovative ideas and products are of exceptional quality, with which the modern Corporate can identify and offer. Our service range sets high standards for end customers and the industry.

Giving presents Involves feelings. And this is why the KASA brand is emotional, human and believable - from the inspiring product through to attractive presentation. We would like employees to Feel & Understand the message of their Organization 's motive through our Brand.

MAKE THE DIFFERENCE

YOUR PROMOTIONAL PRESENCE IS MADE UNIQUE THROUGH INDIVIDUAL DEKORE / DESIGN STICKERS

Your advantages:

// small quantities starting from 100 pieces

// possibility to realise your print campaign 1:1 on a 3-D promotional item

// print quality "Made in Germany"

// UV resistant

// additional engraving possible

// fast delivery

SCREEN / PAD PRINT

Screen printing is versatile and therefore enables decoration of many different materials, either flat or shaped. Special print colours are used to suit the chosen material. A big advantage of this printing process is the possibility to vary the thickness of the colour layers.
